Sheridan County Resource Guide

Provides support and services to children and families in the Northeastern region of Montana. Services include the childcare resource and referral program (scholarships for low-income families and training for childcare providers) and the child and adult care food program. They also have several programs for children with or at risk of having developmental delays or disabilities. They work with families in the home setting and help them work with their children and get the services they need. They also work with Child and Family Services on family reunification. They also help with supervised parent-child visits. In addition, they help with transitional living services for children in foster care (helping them get ready to live on their own).
